

Information about the Service

Description of the Service - Our Voice over IP (VoIP) telephone service

provides crystal clear telephone calls at rates well below standard telephone service providers, without the need for telephone line rental! We can provide this service nationally, at the same cost for both metropolitan and rural users.

Our VoIP services include the following monthly benefits:

- Cheaper Call Rates
- Free on net calls
- Awesome Local Customer Service

Availability & System Requirements – You need to have a broadband connection to use this service; if you do not have one, we can supply one at an additional cost.

This service does not support the 'Priority Assistance' service feature for persons with life-threatening medical conditions; nor do we currently provide support for teletypewriter equipment or calls to some operator or premium rate services. VoIP uses new technology and as such certain services like monitoring services, fax/modem & alarms may not function.

Minimum Term – There is no minimum term.

Equipment needs – You need an approved compatible device to use this service. If you do not already have one EscapeNet can sell you one at an additional cost.
