

Information about the Service

Description of the Service – Our National Broadband Network (NBN)

service will utilise fibre, fixed wireless and satellite to improve the way you connect with others. It is designed to provide everyone with high speed internet access. This plan has the added advantage of cheaper phone calls. This bundled service includes the following monthly benefits:

- No Excess quota usage charges
- 10 email addresses
- High Speed
- Email protection
- Personal Web Space
- Awesome Local Customer Service

Availability & System Requirements – Coverage extends to a growing number of areas across Australia. You can determine your availability using our service qualification tool at www.esc.net.au/go/nbnsq

This service does not support the 'Priority Assistance' service feature for persons with life-threatening medical conditions; nor do we currently provide support for teletypewriter equipment or calls to some operator or premium rate services. NBN uses new technology and as such certain services like monitoring services, fax/modem & alarms may not function.

Minimum Term – The minimum term for our NBN Data & Phone Bundle is 12 months.

Equipment needs – You need an approved compatible router to use this service. In addition, you need a compatible telephone handset. If you do not already have these EscapeNet can sell you one at an additional cost.
